

Each year, members are invited to the **Quilling Guild's Annual General Meeting and Display of Quilling**. Visitors from the regions and from other countries meet to hear about, discuss and vote on the organisation of the Guild, members of the committee and quilling issues. Afterwards, the bonus is a wonderful display of quilling by quillers who are learners to the most accomplished. We enter competitions, view and vote on the entries, award accreditation certificates, join in with workshops and demonstrations and share ideas with other quillers, striking up friendships and sharing experiences.
